

Coulee Region Modelers

Meeting of Feb 4th 2009

The Meeting was held at ABC Hobbies and called to order at 7.00PM by President Glenn.

Note – the members felt the most important item discussed was what we should do this year for the Fun Fly . Due to the amount of work, lack of fun, insufficient advance commitment for the prior organizing, and burn out of members, after discussion we thought we should discuss a year off from the regular Fun Fly and just have a Club Fly where we bring and fly our own models in a relaxing fashion. Please provide input on your thoughts and we will be discussing it at the next meeting.

Financial Report

The club balance sheet increased in 2009 from membership dues and the Air Fest income.

Potential field improvement were discussed, there is insufficient gravel on the road so funds will be set aside for this and other regular expenses which leaves some \$1,000 to be applied to the “vision fund”.

Officers will meet before next month’s meeting to audit the finances.

\$50 annual dues for 2010 should be sent to Bill Plzak, or given to Bill at ABC Hobbies.

Old Business

Wisconsin state – Department of Financial Institutions - we are taking action to bring us to “current” status.

Website – it was suggested to add a “counter” to register the hits on the website.

A Monthly fun-fly with picnic on the 1st Saturday each month will be held in the flying season, each member to bring what they might need – grille etc.

A Members Handbook will be produced including

- a. Frequency Peg- pulling protocol
- b. Field protocols
- c. Members protocol
- d. Members contact listing with frequency/ies used
- e. Explanation and detail of training capabilities

Trainer: the current trainer is to be repaired.

New Business

We discussed the subject of our **Fun-Fly** as above.

Winter Fly – the access road was plowed once but there are still snow drifts and access is not currently possible.
